

*After you have completed the discussion with your group members and considered a solution for the group activity, complete this peer evaluation form. One member from your group will be responsible for uploading the solution, but every group member must finish and upload their completed copy of this peer evaluation form.*

## Basic Information

Your Name: \_\_\_\_\_

Group Name: \_\_\_\_\_

Assignment Name: \_\_\_\_\_

Module #: \_\_\_\_\_

## Group Members

1. \_\_\_\_\_
2. \_\_\_\_\_
3. \_\_\_\_\_
4. \_\_\_\_\_
5. \_\_\_\_\_

Please consider the following criteria for each member of your team. Check the description that accurately describes the level of involvement and the quality of work from each member in your team.

## Peer Evaluation #1

Name of group member being evaluated: \_\_\_\_\_

Criteria	Description	✓
<b>Quality of Work</b>  Consider the degree to which the group member provided work that was accurate, thoughtful, and complete.	Produced work that consistently exceeded established group assignment requirements.	
	Regularly produced work that met minimum requirements and sometimes exceeded requirements.	
	Met minimum group assignment requirements.	
	Occasionally produced work that met minimum group assignment requirements.	
	Produced unacceptable work.	
<b>Involvement</b>  Consider the extent to which the student team member participated in the exchange of information.	Regularly participated in group discussion and sometimes exceeded expectations.	
	Took part in group discussions and shared relevant information.	
	Sometimes participated in group discussions and rarely contributed relevant material for the assignment.	
	Failed to participate in group discussions and failed to share relevant material.
